Application for Norowal Community Contribution Award

Criteria for consideration (If needed use a second page)

Programming

Description & Cost

Educational

Description & Cost

Capital Improvement

Description & Cost

Equipment

Description & Cost

If possible, we would like an estimate of the cost for purchase of the equipment, or completion of a project. All Improvements need to be done in a single calendar year. Since as a Board we are interested in the work being done we would welcome pictures or a notice of completion at the end of the project.

Please return your completed application to: Norowal Marina, POB 7, Bolton Landing, NY

21 Sagamore Rd, Bolton Landing, NY 12814 - Phone: (518) 644-3741
