

Norowal Marina

For over 14 years, Norowal Marina, Inc. (NMI) has returned a portion of its earned income to the community through its Community Contributions Program. Over the past five years alone, the Program has donated nearly 75,000.00 to various local organizations that are “doing good” for the Bolton community. The Board of Directors (BOD) of NMI tries to be as generous as possible to as many organizations as possible. As a result, the donation to a qualifying organization may vary in amount from one year to the next year simply because of changes in the number of funding requests the Program receives.

The BOD makes every effort to fund organizations within our community that are helping to meet the needs of the community. The BOD does, however, refrain from funding political organizations as well as issue-oriented advocacy organizations. Further, the Program is not available to individuals or organizations that are tax supported and funds cannot be used to off-set an organization’s start-up costs.

The BOD is currently working to establish a Guidance Protocol for the Community Contributions Program. Beginning in 2020, the BOD will require that an application for funding be submitted. Applications will need to be submitted by November 1 of each calendar year. Funds will be awarded by December 31 of the same year. An application for the 2021 Program is included with this letter. In subsequent years, the application and the Guidance Protocol will be available online at info@norowalmarina.com.

Please return your completed application to: Norowal Marina, POB 6, Bolton Landing, NY 12814

Thank you for your interest and participation.

Sincerely,

The Norowal Board of Directors

Scott Andersen - President

Joel Jacko - Vice President

Tom Hall - Secretary

Brian Humphrey - Treasurer
